CCFW DAY OF SERVICE

2022 Day of Service

Join Catholic Charities Fort Worth and the surrounding community for our first-ever **Day of Service** on **Saturday, October 15th**. We will kick things off at our main campus, then disperse to complete service projects throughout Tarrant County. We will end back at CCFW for lunch and fellowship.

Thank you for your willingness to make a difference.

Can't wait to serve with you!

HOW CAN YOU HELP?

Included in this package is detailed information on our available sponsorship opportunities. By becoming a Day of Service sponsor, you or your organization can celebrate and continue your tradition of community support, while enhancing your brand awareness to an exceptional and diverse audience spanning our entire 28-county service area.

Most importantly, your support is critical for helping us fulfill our vision of ending poverty, one family at a time.

WHO DOES THE DAY OF SERVICE BENEFIT?

The **Day of Service** benefits the work of CCFW and our innovative, poverty-ending solutions for families in need, as well as local community partners. CCFW values partnership and collaboration with our community and is eager to serve the surrounding communities together. CCFW is a 501(c)(3) non-profit organization founded in 1910 with a mission to serve those in need regardless of creed, race, religion, ethnicity or culture. Serving 28 counties, we make a lasting impact throughout our communities.

Supporting this event is a key way you can create a bigger, brighter future for our families.

Help us live our mission to provide service to those in need, to advocate compassion and justice in the structures of society, and to call all people of good will to do the same.
